I was walking along the beach one day. I saw a man bending over picking up starfish on the shore and was throwing them back into the sea.

I asked him, "Why are you throwing those starfish back into the sea?"

He replied, "The tide is going out, the sun is hot, and if I don't, they will die here.

"I asked him why he was doing this; the few he threw back wouldn't make any difference.

The man paused with a starfish in his hand. He looked at it, and then he tossed the starfish out to sea and said, "I have made a difference to that one."
